NORDIC TONES OF NATURE

A wooden pendant lamp in its simplest and cleanest form, Chimes brings the Nordic tones of nature into the interior.

A piece of solid oak, combined with a warm LED light source, Chimes is based on the graceful lines that occur from rows of trees in the woods. Create a cosy atmosphere by using several Chimes in a straight line or a beautiful cluster.

The Chimes pendant brings a Nordic touch to the corner of a living room or above the kitchen counter.
