CLAVA DINE

Designed by Soren Ravn Christensen

SIMPLE AND CHARACTERISTIC

Clava Dine is a simple, characteristic pendant lampshade with a graceful curved silhouette. The lampshade adds a nostalgic reference to the 70s with its perforated holes and soft ambient light.

Built on the success gained by Clava – a small and stylish lampshade with retro hints, perfect for beautiful clusters – Clava Dine is its bigger sister that shares the same stunning design. With its exclusive and elegant look, Clava Dine creates a directional downward light making it fit perfectly over the dining table, above the kitchen counter, coffee table or in a restaurant, bringing a cosy and chic feeling. The lampshade comes in white, brushed brass, brushed copper, polished steel, red earth, ochre, umber and slate. so it can lighten up any home.

We take the story of Scandinavian design further than ever before by combining aesthetics, simplicity and functionality and infusing it with thoughtful craftsmanship and environmental care. Our designs are deeply rooted in the diverse urban landscape and raw nature surrounding our home in the heart of Copenhagen, Denmark. Having begun our journey in 10 years ago, we are celebrating our 10th anniversary this year by constantly growing and expanding the conventions around contemporary design.
